

Why is this Israeli college student surrounded by empty seats?

**Because many of her Ethiopian-Israeli peers had to drop out to work.**

Even with their tuition paid for by the Israeli government, many bright young **Ethiopian students can't afford basic necessities like food and rent.**

**Lift this generation out of poverty.**

Your support of **\$1,140** per year can mean the difference between a life-altering college education and a life time of low-paying, bare-subsistence jobs.

**Food should not be a luxury.**

Your sponsorship will cover necessities like groceries, rent, books, lab fees and transportation. Without the money to pay for these basics, many students drop out.

**Build a relationship with your student.**

Your student will write you regularly about his/her progress and looks forward to your response. We can also arrange a visit with your student on your next trip to Israel.
